FOR THE FINANCIAL YEAR ENDED ON 31<sup>ST</sup> MARCH, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel ) Rules, 2014]

To,  
 The Members  
 Gujarat Poly Electronics Limited, B-18, Gandhinagar Electronic Estate, Gandhinagar – 382 024

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the Gujarat Poly Electronics Limited ("**the Company**"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2022 ("**Audit Period**") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Audit Period according to the provisions of:

- (i) The Companies Act, 2013 (“the Act”) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder;
- (iii) The Securities and Exchange board of India (Depositories and Participants) Regulations, 2018;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992:
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.

I have also examined compliance with the applicable regulations of the following:

- (a) Secretarial Standards issued by The Institute of Company Secretaries of India;
- (b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the Audit Period; the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

Having regard to the compliance system prevailing in the Company and on examination on the test check basis of the relevant records; I further report that during the Audit Period; there was no specific law that otherwise was applicable to the Company.

**I further report that:**

The Board of Directors of the Company is duly constituted with the proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. Adequate notice is given to all directors to schedule the Board Meetings, agenda and notes on agenda were sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the Audit Period, all decisions at Board Meetings and Committee Meetings were carried out unanimously.

**I further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

## MANAGEMENT DISCUSSION & ANALYSIS REPORT

### OVERVIEW:

GUJARAT POLY ELECTRONICS LTD. (GPEL) has been set up to manufacture Multilayer Ceramic Capacitors (MLCCs) in the GIDC Electronics Estate in Gandhinagar. Subsequently other products like low & high voltage Single Layer (Disc) Ceramic Capacitors were added to our product line. Your company has over the years outsourced these products through import suppliers and have also started marketing / trading other types of capacitors & Diodes as a dealer. GPEL products have been well received in the Indian market place.

### INDUSTRIAL STRUCTURE AND DEVELOPMENT:

Electronic components are the building blocks of any electronic systems. The electronic components are basically classified under Active & Passive components. GPEL products cater to the passive components market. Ceramic capacitors are passive components and are characterized by their miniature size and low cost. These find applications in the ever increasing in Electronic Industry primarily for timing, tuning, filtering, power factor compensation, coupling & decoupling circuits etc.

The Market for our components can be segmented by their usage as follows.

- (1) Computers and Computer peripherals
- (2) Instrumentation and Industrial Electronics
- (3) Consumer Electronics
- (4) Strategic Electronics
- (5) Telecommunications
- (6) Dealers / Distributors
- (7) Subcontractors or Electronic Manufacturing Services (EMS)

Your company's products cater to all the above segments & services. Our prime customers are the Original Equipment Manufacturers (OEMs). We also market our products through a wide network of Dealers all over India.

### OPPORTUNITIES AND THREATS:

Ceramic capacitors are typically classified by their miniature size with superior electrical characteristics. Due to the variable dielectric constant, they have a wide range, can be cast into any shape and above all are extremely low cost. Due to the above, Ceramic Capacitors are the most versatile and widely used, catering to the varied needs of the Electronic Industry.

The following are the threats faced by our products.

- (1) Our capacitors are fiercely competitive.
- (2) All passive components can be easily imported directly by OEMs in India with NIL custom duty.

- (3) With the evolution of EMS segment, consolidate their requirements for bulk import sourcing and have access to worldwide sources.
- (4) Therefore, cost is one of the most important criteria for making or losing a sales.
- (5) Most of the OEMs work on annual contracts with the suppliers and any volatility in material costs, FE fluctuation directly impact on the bottom lines.
- (6) Delivery and prices are the key factors which influence a purchase decision.
- (7) The COVID pandemic has further added to the woes of the Electronic Industry, directly impact on our business activities and ultimately on the margins.

### RISKS AND CONCERNS:

- (1) All OEMs insist on supply of all parts together in KIT form.
- (2) Due to the wide range of products, it becomes extremely difficult to supply all parts together.
- (3) Electronic industry is susceptible to obsolescence and is a major threat.
- (4) Price volatility is a major concern which directly effects the bottom lines.
- (5) Annual contracts sometimes can have an adverse effect on the operations.
- (6) The COVID pandemic is bound to have long term repercussions on the business scenario.

### PERFORMANCE BY SECTOR:

The COVID pandemic has been a major cause of concern to all and have impacted the overall business environment during FY 2021-22. The shortage of semiconductors/chips have further slowed down the recovery process. The Instrumentation and Industrial Electronics segment was perhaps the only segment which reported moderate requirements while the Automotive Consumer, EMS and Dealer segments were the worst hit. This in turn have impacted on the sale of all products across the board. Despite this, your company achieved a sales of Rs. 1,527.87 lakhs which is 12% more than the sales achieved previous year.

### KEY FINANCIAL RATIOS:

In accordance with the SEBI (Listing Obligations and Disclosure Requirements 2018) (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key financial ratios.

The Company has identified the following ratios as key financial ratios:

Sr. No.	Ratio	2021-22	2020-21	% Deviation
1	Current Ratio	12.77	6.27	103.64% <sup>1</sup>
2	Debt-to-equity Ratio	5.58	30.88	-81.94% <sup>2</sup>
3	Debt Service Coverage Ratio	27.61	19.21	43.69% <sup>3</sup>
4	Return on Equity Ratio	0.83	2.58	-67.84% <sup>4</sup>
5	Inventory Turnover Ratio	5.65	6.11	-7.38%
6	Receivables Turnover Ratio	3.80	3.39	12.11%
7	Payables Turnover Ratio	24.52	16.83	45.70% <sup>5</sup>
8	Net Capital Turnover Ratio	1.69	1.65	2.07%
9	Net Profit Ratio	0.11	0.07	47.38% <sup>6</sup>
10	Return on Capital employed Ratio	0.79	1.48	-46.76% <sup>7</sup>
11	Interest Coverage ratio	152.14	173.19	-21.05
12	Operating Profit Margin	11.68%	8.34%	3.34%
13	Net Profit Margin	10.67%	7.25%	3.43%
14	Return on Net Worth	82.95%	257.91%	-174.96% <sup>8</sup>

<sup>1</sup> The components of current liabilities, namely, trade payables outstanding (decline -95%), gso are the provision for expense and statutory payables, have declined in F.Y. 2021-22 compared to 2020-21.

<sup>2</sup> Other equity (negative balance of retained earnings) being the component of shareholder equity has declined in the year by -19% due to increase in profit as per past trend over few years. This has resulted in substantial increase in shareholders equity in 2021-22 compared to last year. Further there is decline in total liabilities due to lower trade payables (-95%) compared to last year.

<sup>3</sup> Improvement in the profit for the year (increase of 65% compared to last year) has improved the earnings available to meet the interest and lease instalments repayment obligations.

<sup>4</sup> Other equity (negative balance of retained earnings) being the component of shareholder equity is declining every year (-19% in 2021-22) due to continuous increasing profit trend over the

past few years(since 2016). Thus there is substantial increase in shareholder's equity compared to last year. Thus although there is increase in net profit, return on equity has declined by 67.84%.

<sup>5</sup> As against decline in average trade payables in the year compared to 2021, there is increase in credit purchases compared to last year, which has affected the ratio adversely.

<sup>6</sup> As against increase in sales by about Rs 1.67 crore, the increase in total cost around Rs.1 crore has significantly improved net profit ratio.

<sup>7</sup> There is increase in shareholder equity (part of capital employed) due to increasing profit in the year as per past trend. Further, there is rise in non current liability of 12% in 2022 being part of capital employed. Therefore the increase in EBIT has been offset by substantial increase in capital employed.

<sup>8</sup> There is increase in net worth due to increase in profit in the year as per past trend. Therefore the increase in PAT has been offset by substantial increase in net worth resulting in lower return on net worth compared to last year.

#### OUTLOOK:

The directors are hopeful of increasing the sales turnover by increasing sales of our products to active segments and market recovery. The company is cautiously optimistic about the growth in the current financial year.

#### INTERNAL CONTROL SYSTEM:

The Company has adequate internal control procedures commensurate with the size of the Company and nature of its business.

#### HUMAN RESOURCES:

The Company has good relation with its employees. There are 37 permanent employees in the Company.

## INDEPENDENT AUDITOR’S REPORT

To the Members of  
Gujarat Poly Electronics Limited

### Report on the Audit of the Standalone Financial Statements

#### Opinion:-

We have audited the standalone financial statements of **Gujarat Poly Electronics Limited** (the ‘Company’) which comprise the Balance Sheet as at March 31, 2022, and the statement of Profit and Loss (including other comprehensive income) Statement of changes in equity and Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Sec. 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended (Ind AS), other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and profit, total comprehensive income, changes in equity and its cash flows for the year then ended on that date.

#### Basis for Opinion:-

We concluded our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### Emphasis of Matter

We draw attention to note no. 4.03 of the financial statement, wherein management while concluding no significant impact due to COVID-19 on current year’s finance results has considered internal and external source of information relating to economic forecasts and estimates on realisability of various classes of assets and expects to recover the carrying amount of these assets. However the assessment of impact of the COVID-19 is continuing process given the uncertainties associate with its nature and duration. The Company will continue to closely monitor any material changes to future economic conditions. Our opinion is not modified in respect of this matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial

statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

KEY AUDIT MATTER	RESPONSE TO KEY AUDIT MATTER
<p><b>1. ### Information other than Financial Statements and Auditors Report thereon

The Company’s Board of Directors is responsible for the Other Information. The Other Information inter-alia comprises of Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholder’s Information (but does not include the standalone financial statements and our auditor’s report thereon), which we obtained prior to the date of this report and the rest of the Annual Report is expected to be made available to us after that date.

Our opinion on the standalone financial statements does not cover the Other Information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Based on the work we have performed, if we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

### Management’s Responsibility for the Standalone Financial Statements

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles

generally accepted in India. The responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively or ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements:-**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting polices used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion.
- Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purpose of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income and the Cash Flow Statement, Statement of changes in Equity dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “**Annexure A**”.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with requirements of Sec. 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its Directors during the year is in accordance with the provisions of Sec. 197.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rule, 2014, in our opinion and to the best of our information and according to the explanations given to us :
- i. The Company has disclosed the impact of pending litigations on the financial position of its financial statements. Refer Note 4.02 to the financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- (b) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. (a) The company had not proposed any final dividend in the previous year, which was declared and paid by the Company during the year.
  - (b) The Company has not declared and paid any interim dividend during the year and until the date of this report.
  - (c) The Board of Directors of the Company have not proposed any final dividend for the year which is subject to approval of the members in the ensuing Annual General Meeting.
2. As required by the Companies (Auditor's Report) Order, 2020 (the “Order”) issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the “**Annexure B**” a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## ANNEXURE 'A'

### Report on the Internal Financial Controls under Clause (1) of Sub-section 3 of Sec.143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of Gujarat Poly Electronics Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's Judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting.

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company. (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as on March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reports issued by the Institute of Chartered Accountants of India.

## GUJARAT POLY ELECTRONICS LIMITED

### “ANNEXURE B” TO THE INDEPENDENT AUDITORS’ REPORT

Referred to in paragraph 2 under the heading ‘Report on Other Legal & Regulatory Requirements’ of our report of even date to the financial statements of the Company for the year ended March 31, 2022:

- i. In respect of Company’s Property, Plant and Equipment and Intangible Assets :
  - (a) (i) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
  - (ii) The Company is maintaining proper records showing full particulars of intangible assets.
    - (b) The Property, Plant & Equipment and right-of-use assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature of its business. According to information and explanation given to us, no material discrepancies were noticed on such verification.
    - (c) The title deeds of immovable properties are held in the name of the company.
    - (d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.
    - (e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.
- ii. (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions and hence reporting under clause (ii)(b) of the Order is not applicable..
- iii. The Company has not made any investments in, provided any guarantee or security to companies, firms, Limited Liability Partnerships or any other parties during the year. The Company has granted loans or advances in the nature of loans to other parties, in respect of which :
  - (a) The Company has provided interest-free unsecured loans or advances in the nature of loans during the year and details of which are given below:

Particulars	Aggregate Amount during the year (Rs. In ‘000)	Balance outstanding at the balance sheet date (Rs. In ‘000)
- Subsidiaries	Nil	Nil
- Joint Ventures	Nil	Nil
- Associates	Nil	Nil
- Others (employees including KMP)	*892	1341

\*including opening balance as on 1/4/2021

The Company has not given guarantee or provided security to any other entity during the year.

- (b) The grant of all the above-mentioned loans or advances in the nature of loans to employees are, in our opinion, prima facie, not prejudicial to the interest of the Company.

- (c) In respect of interest-free loans or advances in the nature of loans provided by the Company to its employees, the schedule of repayment of principal has been stipulated and the repayments of principal amounts are regular as per stipulation in such cases.
- (d) According to information and explanations given to us and based on the audit procedures performed in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.
- (f) The Company has not granted Loans or advances in the nature of loans which are repayable on demand or without specifying any terms or period of repayment,.
- iv. In our opinion and according to the information and explanations given to us, the company has not granted loan or given guarantee or provided security as provided in the section 185 and 186 of the Companies Act, 2013.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- vi. The Central Government has not prescribed maintenance of Cost Records under section 148(1) of the Companies Act, 2013 in respect of manufacturing activities of the Company.
- vii. In respect of statutory dues:
- (a) The company has been generally regular in depositing undisputed statutory dues including Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) above which have not been deposited as on 31<sup>st</sup> March, 2022 on account of any dispute, except following,
- | Name of the Statute | Nature of dues           | Amount (Rs. in '000) | Period to which the amount relates | Forum where the dispute is pending |
|---------------------|--------------------------|----------------------|------------------------------------|------------------------------------|
| ESIC                | Recovery for normal dues | 103                  | 2015                               | At appeal level                    |
- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix. (a) The Company had not defaulted in respect of loans and other borrowings.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and hence reporting under clause (ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, the company has not raised funds on short-term basis.
- (e) The Company has not made any investment in or given any new loan or advances to any of its subsidiaries, associates or joint ventures during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies. Hence reporting under clause (ix) (f) of the Order is not applicable.
- x. (a) According to the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans during the year. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or convertible debentures (fully, partly or optionally convertible) during the year under review and hence reporting under clause x(b) of the Order is not applicable.

- xi. (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- xii. In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.
- xiii. In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion, the Company has not entered into any non-cash transactions with directors or persons connected with its directors during the year. Hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring transfer to a Fund specified in Schedule II to the Companies Act or special account in compliance with the provision of sub-section (6) of Section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

# SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE STANDALONE FINANCIAL STATEMENTS

## Background

Gujarat Poly Electronics Limited is engaged in the manufacturing and trading of Ceramic Capacitors both Multilayer and Single layer. The company is public limited company and is listed on the Bombay Stock Exchange (BSE).

## Authorization of standalone financial statements

The financial statements were authorized for issue in accordance with a resolution of the directors on 14th June, 2021.

### 1.00 Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the presentation of these financial statements.

#### 1.01 BASIS OF PREPARATION

##### (i) Compliance with Ind AS

The standalone financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") and relevant rules issued thereunder. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting standards.

##### (ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities are measured at fair value; and
- defined benefit plans – plan assets measured at fair value.

#### 1.02 ROUNDING OF AMOUNTS

All amounts disclosed in the financial statements and notes have been rounded off to the nearest thousands, except where otherwise indicated.

#### 1.03 CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents its assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current if it is:

- a) Expected to be realised or intended to sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

Liability is current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle. Based on the nature of operations, the Company has ascertained its operating cycle as 12 months for the purpose of current - non-current classification of assets and liabilities.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 1.04 USE OF JUDGEMENTS, ESTIMATES & ASSUMPTIONS

While preparing financial statements in conformity with Ind AS, the management makes certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain and more particular to COVID-19 pandemic situation. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. The management continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as below:

#### **Key sources of estimation uncertainty**

- a) Financial instruments; (Refer note 4.08 )
- b) Useful lives of property, plant and equipment and intangible assets; (Refer note 1.06 & 1.07)
- c) Valuation of inventories; (Refer note 1.10)
- d) Assets and obligations relating to employee benefits; (Refer note 4.05)
- e) Evaluation of recoverability of deferred tax assets; (Refer note 2.05) and
- f) Contingencies. (Refer note 4.02) and g) COVID-19 pandemic Impact (Refer note 4.03)

### 1.05 FOREIGN CURRENCY TRANSACTIONS

#### **(i) Functional and presentation currency**

The Company's financial statements are prepared in INR, which is also the Company's functional and presentation currency.

#### **(ii) Transactions and balances**

##### **Monetary items**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit and loss.

##### **Non – Monetary items**

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

### 1.06 PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE STANDALONE FINANCIAL STATEMENTS

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

Stores & Spares which meet the definition of property plant and equipment and satisfy the recognition criteria of Ind AS 16 are capitalized as property, plant and equipment.

### **Depreciation on Property, plant and equipment**

Depreciation on Property, Plant & Equipment is provided on straight line method except Furniture and Fixtures. In accordance with requirements prescribed under Schedule II of Companies Act, 2013, the Company has assessed the estimated useful lives of its Property, Plant & Equipment and has adopted the useful lives and residual value as prescribed in Schedule II. Furniture and Fixtures are depreciated on written down value basis.

Depreciation on additions/deletions during the year are provided on pro rata basis. In case of impairment, depreciation is provided on the revised carrying amount over its remaining useful life.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

### **1.07 INTANGIBLE ASSETS**

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Intangible assets with finite lives are amortised on straight line basis over their useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortisation expense on Intangible assets with finite lives and impairment loss is recognised in the Statement of Profit and Loss.

Business application software intended for long term use are recorded at their acquisition cost and the cost of assets at their carrying value.

### **Amortisation of intangible assets**

Computer software is amortized over the estimated useful life of the assets.

### **1.08 IMPAIRMENT OF ASSETS**

Carrying amount of tangible assets and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company's assets (cash-generating units). Non- financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

### **1.09 LEASES**

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date, whether fulfillment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### As a Lessee

#### Operating Lease

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

#### 1.10 INVENTORIES

Inventories are valued at the lower of cost (determined mainly on FIFO basis) and the net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and Finished goods include appropriate proportion of overheads and, where applicable, excise duty.

#### 1.11 CASH AND CASH EQUIVALENTS

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

#### 1.12 FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

##### Initial Recognition and Measurement – Financial Assets and Financial Liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

##### Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

##### Amortised Cost:

A financial asset is classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### FVTOCI:

A financial asset is classified and measured at FVTOCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### **FVTPL:**

A financial asset is classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

### **Impairment of Financial Assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For Trade Receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

### **Classification and Subsequent measurement: Financial Liabilities**

The Company's financial liabilities include trade payables and other financial liabilities.

### **Financial Liabilities at FVTPL:**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or losses on financial liabilities held for trading are recognised in the Statement of Profit and Loss.

### **Other Financial Liabilities:**

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

### **Derecognition of Financial Assets and Financial Liabilities:**

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

### **1.13 PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

### **Contingent liabilities are disclosed in the case of:**

- a present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from the past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent Assets is disclosed when inflow of economic benefits is probable.

---

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 1.14 REVENUE RECOGNITION

Revenue is measured at the value of the consideration received or receivable, after deduction of any trade discount, volume rebates and any taxes or duties collected on behalf of Government such as Goods and Services Tax, etc.

Adopting Ind AS 115 the Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

#### **Sale of Goods**

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customers and there are no longer any unfulfilled obligations. The performance obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

#### **Other Revenue**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.

Revenue in respect of insurance/other claims etc, is recognized only when it is reasonably certain that the ultimate collection will be made.

### 1.15 TAXES ON INCOME

#### **Current Tax:**

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### **Deferred tax:**

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

## SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 1.16 GOVERNMENT GRANT

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it shall be recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. The above criteria is also used for recognition of incentives under various scheme notified by the Government.

### 1.17 GRATUITY AND OTHER POST - EMPLOYEE BENEFITS

#### a) **Short-term obligations**

Short term employee benefits are recognised as an expense at an undiscounted amount in the Statement of profit & loss of the year in which the related services are rendered.

#### b) **Post-employment obligations**

The Company operates the following post-employment schemes:

- defined benefit plans such as gratuity; and
- defined contribution plans such as provident fund.

#### **Gratuity obligations**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit and loss as past service cost.

#### **Defined contribution plans**

The company pays provident fund contributions to publicly administered provident funds as per local regulations. The company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

#### c) **Other long-term employee benefit obligations**

The liabilities for leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

### 1.18 EARNINGS PER SHARE (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

### 4.03 Going concern under COVID-19 Pandemic Impact

The Company has assessed the impact that may result from this pandemic on its overall position for carrying amounts of receivables, inventories, tangible and intangible assets, investments, and other assets / liabilities. In developing the assumptions relating to the possible uncertainties in the global economic conditions because of this pandemic, the Company has considered internal and external information available till the date of approval of these financial results and has assessed its situation. In that context and based on the current estimates, the Company believes that COVID-19 is not likely to have any material impact on its financial statements, liquidity or ability to service its debt or other obligations. However the overall economic environment, being uncertain due to COVID-19, may affect the underlying assumptions and estimates in future, which may differ from those considered as at the date of approval of these financial statements. The Company would closely monitor such developments in future economic conditions and consider their impact on the financial statements of the relevant periods. Having regard to the above, the financial statements have been prepared by the Management of the company on a "Going concern" basis.

2 Contribution to Pension Fund	12,680	407
3 Contribution to Superannuation Fund	367	891
	<u>15,974</u>	<u>2,546</u>

### b) Defined Benefit Plans:

The Company sponsors funded defined benefit plans for qualifying employee. The defined benefit plans are administered by separate fund that are legally separate fund from the entity. The board of the fund is responsible for the investment policy with regard to assets of the fund.

These plans typically expose the Company to Actuarial risks such as : investment risk, interest rate risk, longevity risk and salary risk. No other post-retirement benefit are provided to the employees.

Investment Risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to government bond yields. If the return on plan asset is below this rate, it will create a plan deficit. Currently the plan has investment with LIC of India.
Interest Risk	A decrease in the interest rate will increase the plan liability. However, this will be partially offset by an increase in the return on the plan's debt investments.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary Risk	The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

### 4.08 Financial Risk Management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Board of Directors. The details of different types of risk and management policy to address these risks are listed below:

The Company's activities are exposed to various risks viz. Credit risk, Liquidity risk and Market risk. In order to minimise any adverse effects on the financial performance of the Company, it uses various instruments and follows policies set up by the Board of Directors / Management.

#### (i) Credit risk

Credit risk arises from the possibility that counter party will cause financial loss to the company by failing to discharge its obligation as agreed.

The Company has specific policies for managing customer credit risk; these policies factor in the customers' financial position, past experience and other customer specific factors. The Company uses the allowance matrix to measure the expected credit loss of trade receivables from customers.

Based on the industry practices and business environment in which the Company operates, management considers that the trade receivables are in default if the payment are more than 18 months past due.

#### Table showing age of gross trade receivables and movement in expected credit loss allowance:
